

## **Abstract**

**Title:** CHOOSING QATAR AS A HOST OF THE 2022 FIFA WC

**Objectives:** The main objective of this bachelor thesis is to make a synthesis of all available information about the election of Qatar as a host of the 2022 FIFA World Cup, to compare the voting system with other sports organizations and to propose changes to this system.

The sub-objective of this thesis is to propose changes to FIFA rules and to FIFA bodies, which are partly related to voting system of the FIFA World Cup.

**Methods:** This thesis used method of guided interview, content analysis of documents and comparison method.

**Results:** The results of thesis are two proposed voting systems for selecting location of the FIFA World Cup and recommendations for changes to FIFA rules. These proposals will be handed over to General Secretary of Czech football association with the fact that they could be presented on the grounds of UEFA or FIFA. This bachelor thesis should inform czech public about these issues aswell.

**Keywords:** FIFA, executive of FIFA, bidding of Qatar, system of election, voting system
